

MEET TONA

Tona began dancing as soon as she could walk. At age 8, her family purchased Kasai Dance Studio in Pocatello, ID, and that is where her passion for dance blossomed. She pursued outside study with American Festival Ballet, Marius Zirra, Lisa Moon and every Tremaine dance convention she could attend! Her dance career continued through college as a Vandal dancer for University of Idaho and the University of Hawaii Manoa.

She has passed the Ceccetti ballet exams, loves jazz and hip hop, and has a modern, lyrical and tap background as well.

She loves to help dancers find their feel for the music and is a stickler on technique, strength and flexibility. Tona is excited to be back in the world of dance and helping the Synergy girls with jazz and hip hop this year!

Please join us in giving her a warm welcome!
