

MEET MYKENNA

Mykenna has been dancing since she was 3 years old. The first dance classes she took were at Backstage before moving to Utah.

She danced competitively for years and was on her high school Dance Company.

Mykenna has trained in ballet, hip-hop, lyrical, contemporary, modern, jazz and social dance. She has taught all ages and styles of dance over the years. Mykenna served as the Miss Kearns 2nd Attendant her senior year and later served as the Associate Director for two years. She has always had a love for serving others. Mykenna worked as a cross-trained Dental Assistant for 5 years. She LOVED her job, patients and all the people she had the opportunity to work with. She recently moved back to Salmon with her husband and 3 young kids and is so happy that they did! Mykenna has a passion for teaching proper technique and is so excited to be working with and choreographing for our Synergy team!
